

LIFE LESSONS:

Frankie and Fawny and the Magnificent Blue Pearl

- You can mistreat someone (animals included) not only by what you *do*, but by what you *don't do*. I.e.: neglect
- Money will never fix what's broken inside of you
- All that glitters, isn't gold ******(hint: Fist's first win at the casino)******
- The root of every of every problem we face, begins with us
- Never search outside of yourself to find happiness
- Be grateful for the things you **DO** have in life (I.e.: laughter and love that can never be taken away from you)
- Learn to walk in someone else's shoes as opposed to judging them.
